January, 2010

Dear Students and Parents,

Welcome back to school. It is time now to enroll your child in After-School Activities. The first semester is scheduled to end on Friday, January 29 and the second term will end on Monday, February 1, 2010. Basic information on buses, costs and times is given below and attached you will find an easy to fill out form with a chart listing all of the activities offered. More detailed information on the clubs will be available on the web at [ambrit-rome.com/afterschool/after.htm](http://ambrit-rome.com/afterschool/after.htm). Please look over the activities offered and consider choosing one or more activities for your child. There are over thirty activities to choose from for the different age ranges and interests of our students.

This semester the following new clubs will be offered: Chinese language, Set Design, Study Group for English language learners and more tennis.

All students staying after school must be registered with the After-School Program to remain in the building. Students who do private music lessons or tutoring must fill out the registration form before being allowed the use of a room. Registration forms for tutoring or private lessons should be given to their instructor who is responsible for enrolling students with the After-School Program. Please remember to enroll students who do tutoring or private lessons for the second semester to insure continued room use and bus service.

The deadline for the second semester registration is Friday, January 29th, 2010. Please return the [registration form](#) to the school as soon as possible so that your child will be registered. Please note that since there are limited spaces in activities, those registration forms that are sent in without payment cannot be processed and will not hold a child's place in the course. Places are given on a first come, first serve basis. Students cannot participate until registered. I will be available in the atrium to answer questions and collect payments from 3:45 until 4:30 daily or the attached form and fees may be sent in a sealed enveloped addressed to Lisa Cianni, After-School Coordinator. Payments brought to school may be left in Ms Gigi's office.
