

# Ancient Egyptian Clothing

By Chloe

# Introduction

## **Ancient Egyptian clothing**

- Shoes
- Important people's clothing
- What materials they used

# Shoes

- Sandals made of straw, leather, papyrus, reeds
- Today some shoes made of leather
- Today rarely straw, papyrus, reeds shoes/sandals

# Important people's clothing

- Rich people wear detailed clothes
- Found out by pictures on jars walls etc.
- By little piece of ruin find out a lot

# What were clothes made of

- Some shoes/clothes made of papyrus because grows quickly
- A lot of objects not only clothing made of Linen
- Winter sometimes wear wool clothing
- Today lots of things made of wool

# From then to now

- Now clothing completely different
- Children wear clothes now, before didn't
- Women not only wear dresses now before did
- Today clothes made of different materials  
example : cotton, cashmere, silk
