

7 October 2009

Dear 5th Grade Parents,

Your child has just started their final year of primary school. It is an important year in which students consolidate skills and knowledge acquired in primary school. The completion of grade 5 is the gateway to higher education – a milestone where plans for your child's journey towards a higher education must be made.

You are cordially invited to attend the presentation by Mr. Mullane at **4.p.m. on Tuesday, 17 November** when we will outline the education options offered at Ambrit for the middle school years.

Please be aware that Ambrit requires confirmation of pre-registration by December for its middle school program while the Italian schools have a 30 January deadline.

I have enclosed the pre-registration form with this document as well as the Language Option form for returning students.

Please return this form no later than 30 November 2009.

If you are interested in attending the Presentation for 5th grade parents on 11 November, please confirm with Jennifer Craver by email or telephone. Her email address is jennifer.craver@ambrit-rome.com.

Thank you for your attention to this matter.

Sincerely,

Bernard C. Mullane
Director
