

# *Spare a Coin, Save a Life*

Ambrit International School and  
the Friends of Ambrit proudly present

## **THE GREAT “HEARTS FOR HAITI” COLLECTION BOX CONTEST**

### ***Make sense of your cents!***

We all have loose change sitting around on counters, dressers, in drawers, pockets and at the bottom of our bags... It's not earning interest, in fact, it is completely useless there. Let's put it to use! Invest in the future of HAITI! Send your extra coins to school with your children to put in their individual class Hearts for Haiti Collection Box

Each EC, Primary and Middle School class will decorate a box with images and articles about Haiti, its culture, its history, and yes, its current, devastating earthquake crisis.

Prizes will be awarded among the classes for most change collected and for most admired Haiti Collection Box. For each category, FOA will happily sponsor a pizza party lunch for 1st place winners, cornetti and hot chocolate for 2<sup>nd</sup> place winners, and an ice cream treat for 3<sup>rd</sup> place winners. The contest runs from now until March 12, and the boxes will be displayed in the Atrium at the conclusion of the contest.

ALL DONATIONS GO TO PANE CONDIVISO  
(<http://www.panecondiviso.com/progettiHaiti.asp>)

Help your children by looking for images and articles from the Internet or other sources to use on their class boxes, and by allowing them to take their Haiti fact sheet (to be distributed) around with them to ask relatives and neighborhood friends if they'd like to contribute some spare change. If they want to, students can make their own collection box at home.

N.B. We acknowledge that many families have already made generous donations to Pane Condiviso and other international relief organizations. We thought our collection box contest would help raise awareness with the students and give them a chance to help out on their own.

Thank you for any and all of your help.
